Nuevo Cuscatlan

November 9, 1981

I have proof that the newspaperman John Sullivan was found dead in March 1981 on the road that goes thru Nuevo Cuscatlan, and was buried in the city. There are several witnesses in the town, including the Mayor and the Justice of the Peace, but they fear telling the truth. They can show the place where the body was buried if you can identify the corpse. Retain this letter to identify the sender.
